

## SENATORS QUESTION DEMOCRAT

Chairman White Has No Evidence of Republican Money Except Cox's Word

(By Associated Press) CHICAGO, Sept. 1.—George White, chairman of the Democratic national committee, said on the stand today before the senate committee investigating campaign expenditures that he had no evidence to sustain charges made by Governor Cox, his party's presidential nominee, as to the Republican campaign funds and the quotas or alleged desire of contributors "to have back of the industrial centers the bayonets of their puppets in office." White told the committee he believed the charges were true because he had confidence in Governor Cox.

Senator Kenyon brought out that Governor Cox was to have a special train on his western trip which will last a month, and asked White if that train alone would not cost the entire \$100,000 appropriated for the speaking campaign. White said he did not know what the cost would be.

Parley Christensen, presidential nominee of the Farmer-Labor party, appeared at the senatorial investigation of campaign funds today and asked to be heard. Chairman Kenyon at once accepted the offer. Just before the committee met for the afternoon session, Senator Kenyon asked newspaper men when Governor Cox would reach Chicago on his western trip. When advised that Cox was expected Sunday and asked if he would be subpoenaed to appear Monday, the senator replied: "The committee has done nothing on that. If we do, I will announce it."

Wilbur Marsh, Democratic national chairman, denied before the senate investigating committee that special efforts had been made to get contributions from federal office holders. "Never since I have been treasurer has any letter asking for money been sent to a federal officer as such," he said. "You mean with your sanction?" queried Senator Kenyon. "With or without."

## BIG STRIKE IN MONO COUNTY

Gold Quartz Running \$200 Per Ton Reported in Masonic Mining District

Gold quartz running \$200 per ton has been struck in the Success Mines No. 1 and 2 in the Masonic district of Mono county, according to a telephone message from C. C. Hayes, one of the partners in charge. The strike was in a new shaft which the Hayes brothers have been sinking and which has panned free gold from the surface down.

A good strike is also reported in the Decker lease, which is a sublease of the Chemung Leasing company's holdings. C. H. Decker, holder of the lease, recently finished sinking his shaft to the 116 level and started drifting for the ledge.

Within a short time ore showing free gold was struck and developments are being carried out to ascertain the extent of the discovery. Ore running from \$40 to \$100 per ton is reported blocked out in the Chemung workings, but operations are retarded by dissensions among the leasers. It is expected that a definite policy will be arrived at soon.

The properties mentioned are all located on the east side of the Masonic district, which has been the scene of considerable activity during the last few weeks.

## MISSING LIQUOR LEADS TO SHOOTING

(By Associated Press) LOS ANGELES, Cal., Sept. 1.—Jacob Lewis, optical salesman, was shot and wounded early today by police officers who were investigating the alleged theft of gin and whisky from W. Honyuge, a banker. The missing liquor was not located.

## JAPANESE REPORT IS PREMATURE

Settlement Has Not Yet Been Made on Question of Immigration

(By Associated Press) WASHINGTON, D. C., Sept. 1.—Press reports from Tokyo that an agreement has been reached here on the Japanese immigration question apparently were premature. Officials at the state department today said that discussions between Secretary Colby and Ambassador Shidehara have not passed the state of informal conversations for the purpose of reaching an agreement in principle, although Secretary Colby indicated he regarded the progress as favorable.

## AUGUST WEATHER REPORT ISSUED

Highest Temperature Reached on 14th When Thermometer Hits 95 Point

Despite the cool spell of last week, the average temperature for August in Tonopah was five-tenths of a degree above the normal based upon observations for the 15 years, according to the report of J. C. Piercy, U. S. weather observer. The highest reading was 95 on the 14th of the month and the lowest 41 on the 27th. The greatest daily range was 51 on the 2d and the least range was on the 26th, when the thermometer varied only 17 degrees. ## POLAND ANSWERS U. S. NOTE

Suggestion That She Stay With in Racial Borders Practically Turned Down

(By Associated Press) WASHINGTON, D. C., Sept. 1.—Poland has answered the admonition of the United States that the Polish armies halt at the ethnographic frontier of Poland with the statement that strategic considerations must govern Poland's course. Poland's formal reply to the American note of August 21 cautioning the Poles not to transgress the ethnographic boundaries of Poland has been received by the state department. The reply followed the informal answer last week, which has been characterized as "not disappointing."

## TERROR CUT OUT OF FOG AT SEA

Wireless Compasses at Golden Gate Will Give Ships Their True Position

(By Associated Press) SAN FRANCISCO, Sept. 1.—Davy Jones' hardest working little locker-lifter is going to be thrown out of his job by Uncle Sam next month when the United States navy will cut the terror out of fogs around San Francisco bay. Four government radio compass stations, new guardians of the Golden Gate, will begin their protective work September 15. It was announced today by Lieutenant Commander S. D. McCaughy, district communication superintendent of the Twelfth naval district here.

These stations are located at Point Reyes, Bird Island, Point Montara and Gardano, off the entrance of San Francisco bay. The Farallons station is the group control station, whose radio call will be "NPT." The work will be to give true bearings to vessels in fog, and thus hold them to their course safe from the rocks and shoals. Each station will wireless the true bearing of the ship from the station, and the intersection of these bearings when charted will determine the precise position of the ship. The service will be given free to all shipping and handled on a wavelength of 890 meters. Calls will not be answered on any other wavelength.

"Use should be made of these compass stations in clear as well as foggy weather, for training of personnel and visible check on accuracy," Lieutenant Commander McCaughy requests of all mariners. Similar service was used by the allies during the war and proved of great value.

## GOVERNMENT SENDS YAKS INTO ALASKA

(By Associated Press) DAWSON, Y. T., Sept. 1.—Two yak, natives of the high cold regions of Tibet, passed through here recently on their way to Fairbanks, Alaska, where they will be established at the United States government experimental station. Government officials believe the yak will thrive in the dry cold regions of Alaska and the Yukon territory. In Tibet the animals are used as beasts of burden and produce excellent beef and rich milk and butter, while their silky hair is woven into fabrics and the hides, bones and tallow afford several valuable by-products.

## FORMER NEVADA ARCHDEACON DIES

Word has been received in Reno of the death in Boston of Rev. A. L. Harlett, Ph. D., archdeacon of Nevada for a period of 10 years and member of the council of advice of this state. Rev. Harlett died while on a vacation in Boston, having gone there from Miami, Florida, where he was rector of Trinity church. He will be remembered by hundreds in Nevada aside from the Episcopalian of the state.

## MAIL AVIATOR BURNED IN PLANE

(By Associated Press) MORRISTOWN, N. J., Sept. 1.—Pilot Max Miller and Mechanician Gustave Rierson were burned to death in a government all-metal plane, which went down here today. The explosion scattered the mail when the plane hit the ground.

## U. S. TRADE WITH ENEMY IS LARGE

Despite Technical State of War With Germany and Austria Commerce Increases

(By Associated Press) WASHINGTON, D. C., Sept. 1.—Although a technical state of war still exists between the United States and Germany and Austria, trade with these countries is rapidly increasing. Reports of the department of commerce show that exports to Germany totaled \$202,176,979 during the 12 months ended last June 30 as compared with \$8,818,882 during the corresponding 12 months the year before. Imports from Germany jumped from \$94,981 in 1919 to \$45,085,975 during the year ending July 1.

Exports to Austria as distinguished from Austria-Hungary were valued at \$11,847,127, as compared with nothing the year before. Imports from that country for the same period were valued at \$587,108. Trade with Russia in Europe also showed a substantial increase in the past year, exports being valued at \$24,639,991, as compared with \$11,000,000 the year before. Imports from that country, however, were valued at only \$2,443,288.

## BILL DRAWN TO PROHIBIT BETS

California May Try to Clean Up Baseball by Legislative Action

(By Associated Press) SAN FRANCISCO, Cal., Sept. 1.—Betting on baseball will be a felony in California if the next legislature enacts into law a bill to be presented by officials of the Pacific Coast league. The bill was drawn up following recent charges of wholesale gambling and bribery of players in the league.

The tentative draft of the bill follows: "Betting or bookmaking on baseball games. Every person who lays, makes, offers or wagers any bet or bets, or wagers upon the result of any baseball game or purported baseball game, between two teams, or who lays, makes, offers or accepts any bet or bets or wagers or wagers upon the result of any play or purported play of any baseball player or players in a baseball game, or who, whether for gain, hire, reward or gratuitously or otherwise receives, holds, or forwards or purports to receive, hold or forward in any manner whatsoever any money, thing or consideration of value or the equivalent thereof or memorandum thereof, staked, pledged, bet or wagered for the purpose of being staked, pledged, bet or wagered upon the result of any baseball game or purported baseball game or upon the result of any play or plays between baseball players in a baseball game or games is punishable by imprisonment in the state prison not exceeding five years or in the county jail not exceeding five months."

## NEW YORK BIRTH RATE INCREASES

Health Statistics of Largest City Shows Death Rate of Children Declines

(By Associated Press) NEW YORK, Sept. 1.—Despite the high cost of living, shortage of housing and the scarcity of domestic servants, the actual birth rate in New York city is going up at a rapid rate, according to health authorities statistics issued here. The figures show that the birth rate per thousand for the first seven months of 1920 was 22.34, against the rate of 21.90 in the same period last year.

While the birth rate is on the increase, the health department's statistics show that the death rate of children in the city is on the decline. The rate of infant mortality for the past year on each 1,000 births was 53, while the preceding years a much higher figure is on the records.

## UNIVERSITY MAY BE OVERCROWDED

Advance Applications Point to More Students Than Rooms at State Institution

If all the students who have made application for dormitory room at the University of Nevada appear for entrance next Tuesday, registration day, the college dormitories will be short accommodations for about 65 applicants, according to the estimates of those in charge of the dormitories, says the Gazette.

"We are swamped for dormitory room, as we have had three times as many applications for rooms this year as ever before," Professor A. E. Turner, master of Lincoln hall, said this morning. "I expect that there will be fifty applicants that we cannot accommodate at Lincoln hall. We have had 60 new applications for rooms, 35 from California and other states and 25 from Nevada. Lincoln hall can accommodate about 95 men."

"We will find room for the old students and Nevada men first and will place as many others as we can find outside accommodations for," Mr. Turner said.

## REPUBLICAN CLUB FORMED AT RENO

According to word reaching Tonopah, Republicans of Washoe county organized a Republican club to work for the election of Harding and Coolidge and to support the candidates for the various state and county offices, who will be chosen at the primaries on September 7. The meeting was well attended and much enthusiasm was shown. Committee will be appointed in all precincts whose duty it will be to secure members for the club and to see that the voters go to the polls on election day. Mrs. Sadie Hurst presided at the meeting, with W. E. Prout as secretary.

## Congressional Results Are Mixed Up With Democrats Winning Republican Places and Republicans on Democratic Ticket—Bond Election in Los Angeles Reported to Be Very Close.

(By Associated Press) SAN FRANCISCO, Sept. 1.—Three thousand three hundred fifty-four precincts in the state gave Kent 63, 163, Shortridge 59,645, and Wallace 46,532.

(By Associated Press) SAN FRANCISCO, Sept. 1.—Samuel Shortridge, prominent member of the San Francisco bar, on the face of returns from 3032 of a total of 6129 precincts, has a lead of more than 20,000 votes over William Kent, his nearest rival, for the Republican nomination for United States senator. Supporters of Kent, however, refused to concede defeat. In 212 precincts accounted for in Los Angeles county.

## BELFAST AGAIN SEES RIOTING

Heavy Firing Continues For Half Hour With Large Casualties Feared

(By Associated Press) BELFAST, Ireland, Sept. 1.—Fighting was resumed today between the nationalists and union shipyard workers from Shankill district and Trips. Heavy firing continued for nearly a half hour and it is feared the casualty list is heavy. One man is known to have been killed. The total number of serious fires in Belfast since Wednesday last reached 247 this morning.

## PAY OF OREGON BOXES IS CUT

Commission Rules No Guarantee of More Than \$250 Except in Main Events

(By Associated Press) PORTLAND, Ore., Sept. 1.—Boxers appearing in Portland next winter who are not of main event calibre and good drawing cards are due for a cut in pay, members of the Portland boxing commission and the men who conduct the bouts at Milwaukie, near here, have ruled. Last winter the officials said, the shows lost money but the boxers were always ahead for they were paid good sums for appearing.

In addition to cutting down the pay, the Portland and Milwaukie promoters are planning to reduce the length of shows staged this winter. Twenty-eight to thirty rounds will be staged on the show nights, instead of the longer matches held last winter.

## GENE TURNEY NOW AT CAMP LEWIS

## MARINE PLAYER TO COACH PENDLETON

(By Associated Press) PENDLETON, Ore., Sept. 1.—Richard E. "Dick" Hanley, captain of the noted Marine Island Marines football team of 1918 and former Washington State college star quarterback, is to coach the Pendleton high school football team this year. Hanley will teach chemistry at the school.

## WILL TEACH WRESTLING

(By Associated Press) PORTLAND, Ore., Sept. 1.—Ted Thre, one time champion of the mid-dleweight wrestling championship, has been named wrestling instructor at the Multnomah Amateur Athletic club here.

Shortridge ran far behind Kent, with A. J. Wallace leading both Justice W. A. Sloane appeared to win easily the nomination over Judge John York for short term on the supreme bench. For the appellate court Justice of the First district, Justice Britain, was a candidate to succeed himself for one of two places, was running third with Justice Nourse, also an incumbent, and Superior Judge Stu Levitt, both of San Francisco. In the Second district Judge Gavin Craig, of Los Angeles, and Justice Thomas were leading Justice Itami Wellar and Judge Louis Workes. Some interesting situations developed in connection with the congressional contests in the First district. Clarence F. Lea, running unopposed for the Democratic nomination, also captured apparently the Republican nomination. The same situation prevailed in the Second and Seventh districts where respectively Representative John E. Raker, Democrat, seems to have won the Republican nomination and Representative Henry Harbo, Republican, took the Democratic nomination over W. Harris, of Bakewell, in the Eighth district. At San Jose, San Jose appeared to have defeated Representative Hugh Hersman, Democratic incumbent, for the Republican nomination. In the Sixth district Representative J. R. Johnston was leading William Geary, of Oakland, for the Republican nomination, and in the Ninth and Tenth districts, both in Los Angeles county, the outcome is uncertain. There was no contest in the Third, Fourth, Fifth and Eleventh districts.

(By Associated Press) LOS ANGELES, Cal., Sept. 1.—On the face of available returns, two bond issues totaling \$5,000,000, for the construction of a memorial auditorium and coliseum in Los Angeles, appeared to have carried in yesterday's election.
